Speaker Biography

Dr. Chris Kuehl will update us on the present and future state of the US and International Economy. Chris is Managing Director of Armada Corporate Intelligence, a firm that provides a wide variety of international consulting services for companies interested in the global market place and is one of the best informed analysts in the Kansas City area. He was previously a Political Science Professor at Baker University. Armada Corporate Intelligence, the local company Chris co-founded, conducts detailed analysis and assessment of their clients' business environments and competition. Their client list has included YRC Worldwide (formerly Yellow Roadway), Hallmark International, Spencer Fane Britt and Browne, U.S. Engineering, the Greater Kansas City Chamber of Commerce, Brotherhood Bank, and the World Trade Center. He has frequently represented the United States State Department and several Fortune 500 Corporations in their efforts to establish businesses in foreign countries. There will be time for questions after his presentation.

President's Message

I would like to begin my message by wishing the Marines in our Chapter a Happy 247th Marine Corps Birthday which falls on November 10th. November is a very special month during which we celebrate the freedom and many blessings we have as Americans on Thanksgiving Day. They were earned by the blood and sacrifice of our Veterans and the unwavering support of their families. Keep in your thoughts and prayers those Veterans suffering from PTSD, Agent Orange and Camp Lejeune contaminated water induced cancer, homelessness and other illnesses both mental and physical. While there are many Veterans Day observances traditionally conducted on November 11th each year, we should make our own time to reflect on the service and sacrifice of those with whom we have served and those who preceded us. The following is an excerpt from Major General Bill Treu's President's message written in 2000:

“Armistice Day was renamed Veterans Day in 1954 to recognize the service and sacrifices of all the veterans of our nation. It is a day to honor our fallen comrades and salute all who have or are serving in uniform. And it is indeed fitting that we do so.”

At our meeting on November 19th, you will be presented with a slate of officers to be elected as our leadership for the next two years. Any member desiring to do so can be added to the slate before or during our meeting. A vote will be taken at the meeting for the six elective positions and installment will take place at the Holiday Party on December 3rd. You will soon be receiving by mail a request for donations to our Scholarship and Family Assistance Programs. Please consider a contribution of whatever you feel comfortable with. No amount is too small (or too large). The MOAA tradition is to NEVER STOP SERVING and this is an important way you can do so. In December, you will be asked to renew your membership. We anticipate next year's dues will remain \$25. Without your dues, we could not sustain our Chapter. Your continuing support is both needed and greatly appreciated. Finally, I would like to thank all the members of the Executive Council for their support throughout the year. A special thanks also to the Auxiliary for the wonderful Social events they plan and organize throughout the year. I wish all of our members and their families a safe and Happy Thanksgiving.
